

## Summary of Child Protection Policy

At Asbury, we have the following Child Protection Policies in place to ensure your child has a safe environment:

- All rooms must have two adults at all times. If two leaders are not present, please do not leave your child.
- Please walk your child to their room to ensure two teachers are present.
- Parents of nursery age, preschool and Kindergarten kids must be on Asbury's campus at all times.
- Kids cannot be dismissed without a parent or a designated person, aged 7th grade or above.
- Please be prompt in picking up your child. All kids must be picked up by noon after worship.
- Please don't ask the volunteers to compromise these policies.
- Nursery closes promptly on Sundays after worship services at 12pm and at 8:30pm during the week and on Sunday evenings.
