

## Summary of Safe Sanctuary Policy

At Asbury, we have a Safe Sanctuary Policy in place to ensure the safety of every kid, volunteer, and staff member.

- All rooms must have two volunteers at all times. If two leaders are not present, please do not leave your child.
- Please walk your child to their room to ensure their safe arrival and to confirm that two leaders are present.
- Parents or guardians of nursery age, preschool, and Kindergarten kids must remain on Asbury's campus while your kid is attending ministry.
- Kids cannot be picked up without a parent or designated person, age 9<sup>th</sup> grade or above. Out slips are also required for Sunday ministry and KidsCare.
- Kids Ministry/KidsCare closes 15 minutes after Sundays worship services and KidsCare closes at 8:30pm during the week and on Sunday evenings.
- Please don't ask the volunteers to compromise these policies.
