

 **Asbury**Weekday

Welcome to the Asbury Weekday Family!

We are so excited you have entrusted us with your student(s) this year. Our Weekday staff is committed to providing a safe, loving, nurturing environment where your student(s) will grow and learn. Your student(s) will enjoy learning through weekly units of study, cooperative play, and getting messy with craft supplies. Our Weekday kids are reminded daily that they are created by God, they are loved by Him, and He has a purpose for their lives.

In an effort to partner with our parents, we have developed our Family Handbook. We hope you find it helpful in answering any questions about Weekday you may have. Please take time to make yourself familiar with our policies and guidelines. As always, please feel free to contact us with any further questions or concerns you have that were not addressed in our handbook.

We look forward to a fantastic year of growing and learning with you and your student!

Marlee Martin, *Director of Asbury Weekday*
Jean Carville, *Associate Director of Asbury Weekday*

THE S of ASBURY WEEKDAY

ARRIVING AT ASBURY WEEKDAY

Our day begins promptly at 9am and is full of activities until 1pm. It is very important that students arrive no later than 9am to avoid missing important activities of the day.

Our classrooms open at 9am. Please remain in the Building 4 lobby if arriving before 9am. Our teachers are busy preparing for the day and are not available to receive students prior to 9am.

BIRTHDAY CELEBRATIONS & PARTIES

Teachers will distribute invitations **ONLY** if the entire class receives one. Snacks or treats (**cookies and snack cakes preferred, please no cupcakes or lunch**) may be sent in for the entire class on your student's birthday. These may be shared during snack or lunch time. Please coordinate this with your student's teacher. **Birthday parties are not permitted at school.**

CALENDAR YEAR

Our school year begins after Madison City Schools begin classes. The last day of school is generally during the same week as the Madison City Schools. Asbury Weekday will determine these dates for Weekday according to the Asbury Church and Madison City School calendars.

After our first day of school, Weekday generally follows the Madison City Schools and Asbury Church calendars for holidays, teacher/parent days, etc. If Madison City Schools or church offices are closed, Weekday is closed. Weekday also closes on Madison City School half-days. These events will be advertised and parents will know in advance about these days.

On occasion, Weekday will sponsor special events, such as the Christmas program, our 4-year-old Celebration, and Kindergarten graduation. Weekday may dismiss early on these days.

CELLPHONES

Asbury Weekday is a cellphone-free zone. Please use our pickup/drop-off time to engage with your student.

CHAPEL TIME

Our Kindergarteners and 4-year-olds attend chapel weekly. Our chapel time includes worship, Bible story time, offering, and prayer.

CURRICULUM

Weekday uses a variety of curriculum resources for all preschool students. Each weekly unit provides a range of activities designed to meet the needs of each individual age group at their level of development along the growth continuum. The unit activities also help each student develop language, pre-reading, writing, and math skills appropriate to their stage of development. Scripture and Bible stories are also incorporated into each week. Music is offered each week to all age groups. Spanish is also offered to our 3 and 4-year-olds and Kindergarteners. All students play outside on the playground (weather permitting) and use the indoor playroom to develop gross motor skills.

Learning Without Tears and *Frog Street Phonics* curriculum is used with our 3-year-olds. *Learning Without Tears: Get Set for School* along with their *Language and Literacy* curriculum is used with our 4-year-olds as well as other supplemental materials. Students participating in our Pre-K program also use *Learning Without Tears: Numbers and Math* curriculum in addition to the *Get Set for School* and *Language and Literacy* curriculums.

COMMUNICATION

Communication is a vital part of a good program.

- **Asbury Central** Our primary communication tool is **Asbury Central**; the online community of the Asbury Family. Parents are placed in the Weekday Parent and Classroom groups upon registration. Weekday notifications from **Asbury Central** will come to members via email.
- **Parent Contact** It is very important that parents have their cell phones with them and turned on anytime students are at Weekday. We need to be able to contact parents when accidents and illnesses occur during school hours as well as early dismissals due to inclement weather.
- **Communication Folder** Each student will be given a communication folder. Folders are sent home daily. There is a \$5 replacement fee for any lost folder during the school year.
- **Parent Concerns** Please read all materials sent home and return any pertinent papers the following day. If there are any questions, please feel free to discuss those with the teachers or directors. In addition, if a parent has a concern that arises, it is suggested that the parent discuss it with the teacher first. If the issue cannot be resolved, it should be brought to

the director's attention. These issues are taken into consideration. If a concern arises and a satisfactory resolution cannot be reached, the concern should be brought to the Governing Board.

DISCIPLINE

Discipline will be consistent and fair. The guidance of the students's behavior will be conducted in such a manner as to assist them in developing self-control and assuming responsibility for their own behavior. Minor discipline problems will be dealt with as deemed appropriate by the teacher and the directors. Approaches to be used include, but are not limited to, removing the student from the activity, explaining why the behavior is not acceptable ("Blocks are for building, not throwing."), and using a time-out chair or another place where the student can regain control of his/her behavior. When appropriate, parents will be asked to participate in decisions regarding their student's behavior. When decisions need to be made concerning your student's progress or behavior, a teacher/parent/director conference is usually held so that all parties involved may communicate fully. At no time will physical punishment or verbal degrading of a student be used as a means of discipline.

DROP-OFF/PICK UP

Within a week of school beginning, we will offer a drive-through car line so that you may drop off your student in the morning. This is a service which is optional. Students may always be walked in by a parent. To ensure that each student is properly signed in, every student must bring their tote bag every day. An identification tag will be attached to their bag with their name and room number on it. Students must be walked in when bringing snacks or other items that will not fit in their bag and they cannot carry on their own.

When walking a student into their classroom, please park in the east parking lot adjacent to Building 5 or across the street near Building 3 and walk down the side walk, entering Building 4 through the lower-level doors facing Gillespie Road. Please make sure to sign them in at a check-in station before dropping them off in their classroom. Teachers are not allowed to accept a student if they have not first been checked in using our check-in system.

Students must be checked in and out in the lobby areas of Building 4 using our secure electronic check-in system. There are sign-in/out stations available in the foyer. For safety reasons, the doors of Building 4 are open from 8:45am - 9:15am. Parents will be issued a security code to enter the lobby doors of the building from 9:00am - 1:05pm. Parents should place the code in their phone for easy access. Parents will need to use the finger scan pad to enter the hallways during school hours.

Parents are always welcome at the center but encouraged to drop off their students in a timely manner. It takes some students longer to adjust to school than others, but it is a good idea to stay only a few minutes and then say goodbye and leave. If a student is crying or uneasy when left, please feel free to call us. We want students to be happy and we will always call if the student remains unhappy or cries excessively.

All students will be picked up in our car line beginning at 12:45pm (please use our car line instructions for details.) All students must be picked up no later than 1:05pm. Students will not be released to anyone without their official cartag. **Parents that are late in the afternoon picking up their student from school will be charged a \$1 per minute late charge after 1pm per student. Excessive or frequent late fees will result in the dismissal of the student from Asbury Weekday.**

There will be designated days each month for parents to walk in and pickup their student. **Afternoon carline will not be available these days.** This gives parents an opportunity to connect with teachers.

NO Student SHALL BE ALLOWED TO ENTER OR EXIT THE BUILDING UNLESS AN ADULT ACCOMPANIES THEM. Students will only be released to an authorized person. These adults should be listed on the Student Information form. For the protection of the student, proof of identity will be required. This may be done through a driver's license check. In the event of an emergency, and both parents cannot be contacted, a person in ranking order on the application will be notified. It is extremely important that your phone numbers are always up to date.

ENROLLMENT REQUIREMENTS

Asbury Weekday will use the same cut-off date as the Madison City Schools in determining eligibility for the program. Students are placed with the appropriate age group based on their age as of September 1. Students are placed in classes based on boy/girl ratio and classroom dynamics. We believe all of our teachers are special. We will take into consideration any teaching-style requests but cannot accommodate specific teacher requests due to the above criteria for class placement.

Students are not officially enrolled in our program until the enrollment form and all other required forms have been completed and turned into our office. We also require an Alabama immunization form in order for a student to be accepted into our program. All registration fees are paid upon registration and nonrefundable.

Tuition is nonrefundable unless all the following criteria are met:

1. A two-week written notice is given.
2. The student is moving out of the area.
3. The student's spot may be filled by someone from our waiting list.

Student files will be housed in a secure central location and remain confidential. The Asbury Church pastors, Governing Board members, and Weekday staff shall not discuss nor disclose personal information regarding the students or their families, except for the following circumstances: parent or legal guardian permission or direction, or direction by a legal authority entitled to the information.

Students who are enrolled in a 3-year-old class **MUST BE FULLY** potty-trained. Our 3-year-old classes are not equipped to handle diapers or pull-up training pants. They must be in regular underwear. If a student is enrolled in our 3-year-old class and is not potty-trained when classes begin, please make the director aware of this situation. Students will not be able to participate in a 3-year-old class if they are not fully potty-trained. We realize that all students sooner or later will have an accident, but we are referring to the student that simply is not ready. Please keep a

change of clothes in their bag. Parents may be called if a student has an accident and clothing is not available.

Asbury Weekday reserves the right to dismiss any student if fees have not been paid, the student seems unwilling to participate in group experiences, or for any other stated reason.

EMERGENCY SITUATIONS

FIRE POLICY

In case of a fire, students will be taken outside the building to previously designated areas in accordance with the Madison Fire Department. Smoke detectors are strategically located to provide the earliest warning possible. There are fire extinguishers and sprinkler systems throughout the building to provide a safe environment. Fire drills will be held as preparation for an actual fire. During a fire emergency, Weekday students are to exit the building using the nearest outside exit.

These are located on the north and south end of the west side of Building 4. The elevator should not be used. All classes should meet in the lower grassy field beyond the parking lot on the west side of Building 4. All students will be accounted for once everyone has moved to the parking lot using the class roster. The director will issue an “all clear” when the church office officially issues an “all clear” before re-entering the building.

POWER FAILURE

Weekday will not open if a power or water outage occurs that is expected to last for more than one hour. If a power/water outage occurs during school hours, parents may be contacted to pick their student up if we expect an extended outage period is expected.

EVACUATION POLICY

If people from Asbury Church or students from Weekday need to evacuate the campus, they will go to St. John’s Catholic Church. It is located across the street and slightly north from the Asbury property.

FAITH-BASED LEARNING

Faith-based learning is incorporated throughout our curriculum. Our students are reminded daily that they are created by God, loved by Him, and He has a purpose for their lives.

GOVERNING BOARD

The Weekday Governing Board is made up of Asbury Church members, consisting of parents, a teacher, the director, and associate director. The Governing Board is responsible for all financial and major policy decisions for Weekday.

HEALTHY ENVIRONMENT

The intent of the Weekday program is to provide a high quality program for the students. In this capacity, it is understood that a marginally ill student should be kept at home rather than expose other students who attend Weekday. Therefore, parents are encouraged to screen their students before bringing them to school.

A student should be kept at home when they have experienced the following in the past 24 hours:

- Fever of 100 or higher
- Vomiting or diarrhea
- Sore throat/excessive cough
- Unexplained rash
- Eye infection
- Cloudy or green runny nose
- Infection/contagious disease
- Common cold
- Sickness during the night

With the director's approval, a student may return to school with a doctor's excuse stating they are no longer contagious.

If a student becomes ill during the day attempts will be made to contact the parents. Attempts will be made to contact the parents. If the parents cannot be contacted, the people on the emergency list will be notified and asked to pick up the student. (If one parent is out of town, please make sure to let the teachers know how to reach the remaining parent during the day). A sick student may be kept in the director's office until he/she can be taken home. Parents may be notified if their student has been exposed to a contagious illness. In the case of illness or accident, when the school cannot contact a parent and in the judgment of the administration, emergency personnel may be called to assist.

INCLEMENT WEATHER

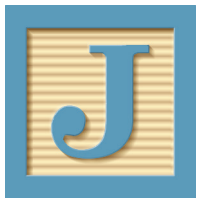

If Madison City Schools are closed due to ice, snowstorm, or other inclement weather, Weekday will also be closed. If Madison City Schools delay one to two hours due to weather or other

reason, Weekday will open at 10am. There is no adjustment in tuition for school closings due to inclement weather or power outages as a result of inclement weather.

TORNADO WARNINGS

Asbury Weekday will not open for operation when tornado warnings issued by the National Weather Service are in place. Parents will be permitted to enter the church building with their students, and remain in the building until the tornado warning has expired or is canceled. At that time, Weekday will open for normal operation. The Weekday staff will not allow a student to leave the church building during an active tornado warning. If, at the Director's discretion, the danger period associated with a tornado warning has passed, or is not a direct threat to an area near the church, these procedures may be waived.

If a tornado warning is issued during school hours, Weekday students will take shelter accordingly. If the warning is imminent, all students will be moved to the innermost part of the building. Students in Building 5 will move to the bathrooms in the hallway. If the warning allows time, the students in Building 5 will move to the innermost hallway in the lower level of Building 4. In either case, the students will remain in the shelter until the tornado warning has expired or been cancelled. Tornado drills are held in preparation for an actual tornado.

JOY

It is a JOY to work with each and every student at Asbury Weekday.

KINDERGARTEN

The Kindergarten program at Asbury Weekday is designed to provide students with a well-balanced curriculum that is challenging and in a developmentally-appropriate environment in which to learn and grow. Students attend from 9am-1pm. Our curriculum includes *Mindful Math*, *Saxon Phonics*, *Learning Without Tears*, *Music*, and *Spanish*. Also included are units of study, which incorporate many areas of math, science, language, writing, speech, and development of character. They also participate in a weekly chapel time.

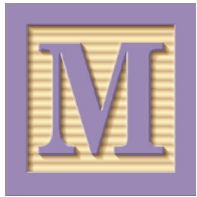

LUNCH/SNACK TIME

Parents will provide lunches and snacks. Remember students will be feeding themselves, so plan accordingly. No jars of baby food will be accepted. All liquids and food items must be in unbreakable containers. All lunch boxes, cups, and containers must be labeled with the

student's name. For safety reasons, our center does not use the microwave for any re-heating of students's foods because of the unequal heating of foods that can occur. Parents of toddler classes (2-year-olds and under) are requested to prepare their student's food in small bite-size pieces. When sending hot dogs and grapes, they must be quartered. Nuts, hard candies, carrots, popcorn, raisins, and thick-spread peanut butter sandwiches will not be accepted as per the recommendations of the American Academy of Pediatrics and the Health Department to prevent choking. We are also not a nut-free facility. The students will eat their lunch and snacks in their classrooms. The teacher and students will pray before mealtime. Also, the students are encouraged to eat their main course first (sandwiches, meat cheese, etc.) before having sweets. Please do not send in toothpicks or other sharp instruments in your student's lunch box. Also, chewing gum is not allowed at school.

Please provide daily:

- Leakproof plastic water bottle (send in empty)
- Lunch box (no larger than 8"x10")

MEDICAL INFORMATION

All medical authorizations must be signed on the appropriate forms before the first day of school. Any allergies (food or other) must be indicated on the appropriate forms. Please discuss a student's allergies with their teachers, including possible reactions and severity.

If a student has an epi-pen, we require a pen be kept at Weekday for emergency use. Our teachers have been trained on the pen's proper use and it will be carried with the class at all times as they move throughout the center.

Medication will be given to a student only in the event of an allergic reaction (i.e. food or insect bite). Benadryl is kept in the office for such occasions. First aid treatment is available for minor injuries. We do not administer any other over-the-counter or prescription medications.

A current Alabama immunization record is required to be on file for each Weekday student. Weekday is not required to accept religious exemptions for immunization records.

In a life-threatening emergency, staff members are not to transport students to the hospital, but are to call for ambulance transportation. The student's parents are to be called to meet the ambulance at the hospital. One staff member will accompany the student, taking with them the Parent Agreement which authorizes medical personnel to begin treatment before parent's arrival. The cost of the student's care in this situation will be the responsibility of the parents. Liabilities for the acts of the student while he/she is under the care of Asbury Weekday are the parent's responsibility.

MISSION-MINDED

Asbury Weekday provides several opportunities for our students to participate in mission projects. These opportunities allow the students to begin to learn about helping others.

NON-DISCRIMINATORY POLICY

Asbury Weekday admits students of any race, sex, nationality, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the center. It does not discriminate on the basis of race, sex, national, and ethnic origin in administration of its educational policies, admissions policies, and scholarship programs.

OBSERVATIONS & CONFERENCES

Observation of a class is when a parent or visitor is a silent member of a class, watching the students and the dynamics of a classroom. When parents observe their own student, they also notice other students as well so there are specific instructions for observation of a classroom. If anyone would like to observe a class, the visit must be approved and scheduled by the directors and the teachers. It is recommended that a parent or visitor stay for a brief period of time. Remember that students might react differently when parents or visitors are watching the class. Also, siblings are not allowed to be in the classroom during the observation. The teachers' attention in the classroom must be given to the students so anyone observing should avoid talking to the teachers for any length of time during the observation.

Conferences for the 4-year-olds and Kindergarten students are scheduled one to two times a year depending on the needs of the students and the class. For the younger students, conferences are done at the request of the parent.

PARKING

For safety reasons, if walking a student to the classroom, please park in the parking lot adjacent to Building 5 and walk down the side walk, entering Building 4 through the lower level doors facing Gillespie Road. **When choosing to park in the lots on the north side of Gillespie, the designated crosswalk must be used to cross the street.**

Please do not use the handicapped parking spaces without the proper decals or license plate. The police have the authority to issue tickets on church property. Do not park or leave a vehicle in the curbed areas or in the overhang area. These areas are for emergency evacuation vehicles and fire trucks. Parking in these areas could potentially create a dangerous situation if fire trucks or emergency vehicles could not get into the parking lot or close to the buildings.

PLAY

Asbury Weekday loves to play. Students have various opportunities to play both indoors and outdoors each day. We go outdoors every day, unless it is raining or below freezing. Students should be dressed appropriately to play comfortably outdoors.

Our playground is used daily by all students enrolled in Weekday. The playground is reserved each day until 1pm for Weekday use. Parents and younger siblings are not allowed on the playground during this time. Parents are not to come in and out of the playground to drop off or pick up their students. Our playground is reserved by another group after Weekday hours and is not available for play after school.

For the safety of all students, Asbury Church and Weekday have established playground rules for ALL USERS of the playground. Due to pesticides, lawn treatments, and drainage pipes, our grassy areas (the hills) are not areas in which the students should be playing.

QUESTIONS FOR TEACHERS & DIRECTORS

Our teachers and directors are always available to discuss any questions or concerns about your student or our program. If parents have any questions for the teachers, please feel free to ask for a conference or ask them to call you. It is not recommended that parents discuss behavior and sensitive things about the students where others, especially other students, can overhear. The time at the beginning and end of the day can be very busy for both the teachers and directors and may not be the best time for a lengthy discussion. Our teachers and directors are very willing to schedule a time to discuss any questions before/after school hours.

REGISTRATION

Registration for the following school year is held in late January. Our currently enrolled students and their siblings register prior to open registration. A waiting list is established by first-come, first-served basis. When there is an opening, the vacancy will be filled by the person next on the list for that age group (siblings take priority), keeping class size, boy/girl ratio, and any special needs of the class in mind.

SAFE ENVIRONMENT

Safety is our number one priority in everything Weekday does. Entrance doors are open from 8:45am - 9:15am. All other times they will remain locked. Weekday parents will be issued a code to enter the building during school hours. This is for the safety of all the students and the staff. Cameras are also present throughout Building 4 to monitor the halls, entrances and classrooms and play areas.

Our teachers are required to be CPR certified and attend various safety workshops during the year.

Students should be closely supervised before/after school by their parents to avoid injuries, lost students and property damage.

Safety is always the primary concern when planning daily activities and special events. Any injury of a student will be reported to the director. Any injury must be recorded on an Accident/Injury Report, which is given to the director for review, distribution, and filing in the student's folder. The parents, Governing Board, and the Asbury Trustees will be notified of the Accident/Injury Report if professional medical attention was required. A copy of the report will be given to all the above mentioned parties with 24 hours.

Potential Threat Policy: In the event there is a potential for a threatening situation in the area, a CODE YELLOW will be issued by way of the intercom system. This indicates caution and a heightened awareness of the surroundings. Students will not be allowed outside under these circumstances. If a threat is imminent and in immediate proximity, a CODE RED will be issued. Classroom doors are immediately shut and locked, and lights turned off. Students are gathered in an area as far away from the door as possible doing everything to ensure no one is visible from outside the rooms. Students and staff will remain in lock down mode until the threat has been eliminated.

SCHOOL BAGS

Students will be given an Asbury Weekday tote bag. Each student's bag will have an identification tag with their name and room number. It is very important that the students bring this bag to school each day to carry their folder and lunch box to school and artwork, newsletters, etc. from school. It is the parent's responsibility to check the bag each day for notes and other information. Only pack what the student can carry in their bag. Bags may be personalized, but are not to be altered in size or shape in any way.

The identification tags are used to check each student in each morning. We will not accept a student in car line without their bag.

There is a \$10 replacement fee for the tote bag and the identification tag.

SOCIAL MEDIA

In order to safeguard the privacy and security of our students and their families, the following guidelines are to be used for all social media platforms:

- Except for your own student, no photographs taken within Weekday facilities are to be posted for viewing on personal social media accounts.
- All photographs (taken at Weekday) containing students other than your own may be shared via the private classroom share-site or via personal email or text.
- No public discussions are to be held or comments made on social media sites regarding the students, staff, or Weekday that could be construed to have a damaging impact on Weekday's reputation or that would offend any parent or staff member associated with Weekday.
- Staff are not to accept parents as friends due to it being a breach of expected professional conduct unless they already know them in a personal capacity before the student is placed in their class.
- Weekday maintains a Facebook page to interact with the community. Parents are able to authorize posting their student's picture on this page, as well as on our church website by signing our Parent Authorization form.

TUITION AND FEES

Asbury Weekday is a self-supporting, non-profit organization and operates with funds provided by tuition and fees described below:

1. Tuition and registration fees are established as part of the annual budget and published with the registration information.
2. Tuition is based on an annual rate broken down into 10 monthly payments beginning July 1-May 1 with January serving as a "skip month" for parents. The "skip month" eases the financial burden for parents during January when registration fees are also due.
3. There is no reduction for holidays or absentees, nor is there an extra charge for months with extra days. There is no adjustment in tuition due to school closings due to inclement weather or power outages.
4. If a parent foresees any financial problems, please inform the directors immediately. The directors will try to assist in any way possible.
5. All students must be picked up by 1pm. If a student is not picked up by 1pm, that student will be taken to the directors. The parent will be charged a late pickup fee of \$1 per minute past 1pm per student. Excessive or frequent late pickup will result in the dismissal from Weekday.

UNDERSTANDING

Each student attending Weekday is recognized as a unique student of God and is treated with love and understanding.

VISITORS

We encourage our parents to spend time visiting the facility, ask questions about the program, and observe activities. We always need parents' help with parties and special events. Parents wanting to eat lunch with their student should make arrangements with the teachers. Please do not bring in Happy Meals when having lunch with us. This can be upsetting to the other students in the classroom. Lunch visits be limited to special occasions and only last for the scheduled lunch time.

WHAT TO WEAR & BRING TO SCHOOL

Students should be dressed in comfortable play clothes so that they will be able to play and participate in class activities without worrying about getting their clothes dirty. Remember that playing and learning are messy activities. **For safety reasons, students are to wear tennis shoes only.**

It is important for all students to bring their tote bag to school every day. Students in our 3-year-old and younger classes will send in a complete change of clothes, including underwear and socks, in a Ziploc bag. This will be kept in their room in case of accidents. These items will need to be changed out when the seasons change. Remember to label the bag and the clothes. If a student has an accident, the parent may be called to come and pick up the student or asked to bring more clothing.

Parents of our toddlers and 2s are to provide diapers and sufficient wipes for the student. Weekday does not provide these items. Students that are in the process of potty training need to include an extra change of clothing in their tote bag daily. Students learning to go to the bathroom on their own need to be dressed in clothing that they can manage. Students who are trained need to be in clothing that they can put on and off. Overalls, etc. are simply too hard for a student to do by themselves. Students who cannot get in and out of their clothing have more accidents and this leads to an embarrassing moment for the student.

The teachers will do their best to see that a student's belongings are not misplaced. However, sometimes things are lost. Please label everything brought to school and do not send valuable objects to school.

WHAT NOT TO WEAR TO SCHOOL

Please read carefully. Students may be sent home (or a parent may be asked to bring the proper clothing) if they arrive wearing any of the following:

- Jewelry of any kind
- Costumes of any kind
- Any shoes other than tennis shoes

All these items are hazards in group play and learning environments. These items make it difficult for a student to climb, ride bikes, run etc., safely and accidents may occur. Items may also produce a distraction in the classroom.

Costumes are only allowed for special Weekday events.

If a student is sent to school in any clothing we deem a safety issue, the student's clothing may be changed or the parent may be asked to bring a change of clothes if one is not found in their bag.

Bringing personal toys or items is not allowed. Students do not always want to share their toys from home and there is always the possibility of something being broken or lost. Pacifiers and loveys pose a potential health hazard and should be left at home.

X-TRA SPECIAL STUDENTS

Students who attend Asbury Weekday are extra special! All decisions made are for the benefit of the students who attend this school.

YEARLY SPECIAL EVENTS

Asbury Weekday offers special events during the year such as the Christmas program, Easter egg hunts, and graduation for Kindergarten.

Asbury Weekday loves to celebrate with parties. Program-wide parties include Thanksgiving, Christmas, Valentine's Day, Easter, and End-of-the-Year. Parents will be asked to provide food for these parties. Weekday does not celebrate Halloween or Mardi Gras.

ZEST FOR LEARNING

Weekday strives to create a zest for learning in each student.
