Goals and Initiatives for The Associate Director of Middle School Ministry

Asbury is a vision and goal oriented church. We ask each of our staff to create one to three smart goals for their position that will embrace the vision of both the Student Ministry Team and Asbury Church. In addition to these smart goals, we also ask for team members to identify one to two initiatives that they can work towards throughout the year. These initiatives would be unique to their position, yet would effectively impact the quality of the student ministry as a whole. These goals and initiatives run August through May and are reviewed and re-evaluated every summer.
