

AS WE LIVE INTO OUR **NEXT 10** VISION, YOUR GIVING PAVES THE WAY FOR SIGNIFICANT KINGDOM IMPACT FOR ASBURY'S NEXT 10 YEARS.

FAMILY

EQUIPPING FAMILIES TO THRIVE AND RAISE UP THE **NEXT GENERATION** OF CHRIST FOLLOWERS.

We are joining with God's heartbeat for thriving families—to see marriages strengthened and parents equipped to lead their kids through growing challenges they are facing in today's society. Along with our incredible ministries for kids and students, we will offer three family events per year with a heart for helping families thrive in a complex world starting with our Family Classes that are focused on community engagement.

AWAKENING

PURSUING AND PRAYING FOR THE **NEXT GREAT AWAKENING** TOGETHER.

Awakening is the most nebulous concept of our vision. When you look at the Wesleyan revival and the great awakenings, one thing is always consistent—prayer. Over the next 10 years, we will deploy 1,000 people praying for awakening in the neighborhoods of North Alabama. Imagine Asbury members and groups committing to pray as we drive and run and walk through neighborhoods—imagine what kingdom conversations might happen as we do.

MISSION

NEXT DOOR | TRANSFORMING COMMUNITIES AS WE LEARN TO TRULY LOVE OUR NEIGHBORS AS OURSELVES.

We are focused on equipping people to effectively share life and faith with their neighbors so that 100 neighborhoods are impacted in North Alabama.

NEXT WAVE | IDENTIFYING, TRAINING, AND RELEASING UNCOMPROMISING LEADERS FOR TODAY'S CHANGING CHURCH AND MARKETPLACE.

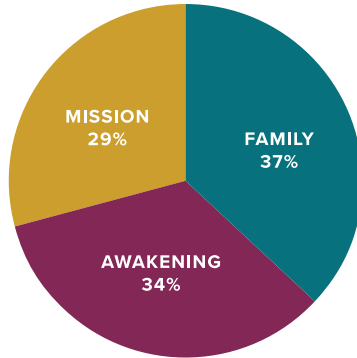

Our world is changing. We need people equipped to enter that changing world to effectively share the good news. We will train 500 young adults to live on mission through the Asbury Academy summer internship program. Thanks to a grant through our conference, we will be able to begin a ministry on the University of Alabama at Huntsville campus in 2020.

NEXT FRONTIER | ESTABLISHING MULTIPLYING CONGREGATIONS HERE AND AROUND THE WORLD.

In addition to Asbury's presence in the Harvest community, we will plant three new campuses in Madison and Limestone Counties, and 300 churches globally in partnership with Asbury mission partners.
